

Labor Laws Entry

Name _____

When you buy clothing or shoes do you think about the factories or workers that create these products? Would you buy a product that you loved even if you knew that workers risked injury to produce them? Why or why not?

Then, watch the Triangle ShirtWaist Factory Video and answer:

1. Could a workplace disaster like this happen in the US today? How? Why or why not?

2. Is government regulation still needed to ensure worker's safety or have these battles all been won? Explain your answer.
