

## Dollaske Region - Sweet 16

#5 Palmer Ault vs. Chesterton	#14 Jake Johns vs. Pendleton Heights
<p>The play starts with a quality defensive header by CDM Kyle Goad off the Chesterton Goalie's punt. When the ball comes down, Jake Johns is able to win a 50-50 ball with a Chesterton defender. The ball squirts to Brayden Doll, who gives the ball a quick toe poke up to Palmer Ault. He immediately turns and dribbles with pace and takes on 4 Chesterton defenders. He eludes them and is able to get the ball on his right foot with a shooting lane. Ault sends a nice curling shot just inside the right post.</p>	<p>After having to reset the offense, Michael Crandley sends a pass back to Drew Cochran. Drew takes a touch to survey the pitch and then hits a long ball over the top of the Pendleton back line. Jake Johns times the flight of the ball and is able to flick a header over the Pendleton GK, who was fooled into thinking he was going to be able to possess Cochran's long ball.</p>

# Hart Region - Sweet 16

<b>#2 Sam Holland vs. Zionsville</b>	<b>#5 Brady Horn vs. St. Ignatius</b>
Brayden Doll plays Noah Bernot a short corner. Bernot sends it right back to Doll. Doll beats a defender and sends in a cross to the back post. Sam Holland gets mad hops and buries it upper 90.	2 minutes into a game against the #1 team in the country. Brayden Doll hits a fantastic free kick from the right flank. Brady Horn elevates and buries the header far post.

## Webster Region - Sweet 16

#4 Brady Horn vs. St. Ignatius	#2 Spencer Holland vs. Chesterton
<p>Even though Brady Horn is a Center Back, he was the Miller offense on the day against #1 in the country St. Ignatius. This is his 2nd goal off a corner kick on the afternoon. Brayden Doll takes the corner kick from the left flank. Horn was a man against boys as he rose up to smash home his header just under the bar.</p>	<p>The play starts with a corner kick from the far side of the pitch. The kick from Kyle Goad has a little too much heat on it and it goes through the box untouched. Drew Cochran alertly chases down the ball before it goes out of touch for a throw in. He recycles the play with a cross of his own using the outside of his right foot. Sam Holland puts an unusual touch on the cross (he uses his back!). It perfectly goes to his brother Spencer Holland, who hits a great full-volley low to the near post.</p>

## Doering Region - Sweet 16

#1 Adam Eberhart vs. Westfield (JV Black)	#3 Spencer Holland vs. Fishers
<p>The play begins in the last minute of a 0-0 draw. The Millers win a 50-50 duel in the air. The ball squirts to Pavlos Michaeloff. He sees Adam Eberhart make a nice diagonal run from his right wing position to the middle of the pitch. Michaeloff hits Eberhart in stride. Eberhart fends off a defender on his right hip as he dribbles in on goal. He buries a rising shot that goes in just under the crossbar to win the game with about 30 seconds to go.</p>	<p>A season defining goal. #1 vs. #2 in state. IHSAA Playoffs. Everything is riding on this game. The play starts with a throw in on the near side by Palmer Ault. He tosses in to Brayden Doll, who fakes a pass to the middle of the pitch to deceive a Fishers defender. He plays back to Ault who then picks up a head of steam towards 3 Fishers players. He is able to get endline and send a lovely cross with his left foot. The driven ball is just over the Fishers GK and lands perfectly on the head of Spencer Holland, who calmly redirects the ball into the open net. Hysteria ensues.</p>
