

## Home Fixtures:

KWA Spectators are welcome to attend any home fixture that is based on the school field after-school. However, any fixture that starts within school hours (8.30-3.00pm), cannot be watched by spectators due to safeguarding.

Where a home fixture starts outside of school hours spectators will be informed, via the fixture letter, of the sign-in period (10 minute slot). Spectators must read the declaration and then if in agreement complete the sign-in form. Spectators do not need to sign-in at reception. Spectators will then be escorted to pitch by a KWA member of staff. Any spectator that arrives after the sign-in period, will not be allowed on site.

## Away Fixtures:

Hull Active Schools: To ensure consistency across the city Hull Active Schools, the city wide partnership who arrange the fixtures for all sports across Hull, have applied some non-mitigating measures across all fixtures for all schools. This includes: "Inter-school fixtures are observed by "home" spectators only. This should allow the host schools to provide a safe and controlled environment for students to play."

### Regulations for use by players:
