

## Pre-Camp Updates

August 8, 2025

---

Hello Students and Parents of the Lancer Band Family!

The drumline has been hard at work this week, and they are sounding GREAT! We are looking forward to welcoming ALL band members back on Monday as we begin the 2025 edition of the Lancer Marching Band! Please continue reading for more information about camp, the Six Flags trip, and shoe orders.

### **LANCER MARCHING BAND CAMP (August 11-13, 8:00-10:00AM)**

Camp is for all band members, and is an important time for us to get our playing faces back in shape, learn some new marching techniques, and to get to know this year's Lancer Band family! If you are unable to attend, and have not let us know, please email us so we are aware and can set aside your music, etc. We have themes for each day to make it a little more spirited:

Monday - Lancer Day! (any Lancer gear/colors will do, but if you have Lancer Band gear, let's see it!)

Tuesday - Section Colors Day! (you'll figure these out as you get to know your section on Monday)

Wednesday - Hawaiian! (featuring the ever-popular water balloon toss!)

Lastly, be sure to dress comfortably (we will be inside and outside for good chunks of time), wear sunscreen, hydrate (water!), and wear comfortable shoes for marching.

### **SIX FLAGS TRIP INFO**

If you are planning to attend the Lancer Marching Band trip to Six Flags on Friday, August 14, please see the information and complete the form here: <https://forms.gle/Ha6qeqbuYNLU9DED9>. This form is due by the end of the day on Tuesday, August 11.

IMPORTANT: You must be registered in Bound in order to go on the trip. This is so we have your medical information on file in case it is needed on the trip.

### **MARCHING SHOE ORDER FORM**

If you are interested in ordering shoes for marching band (completely optional), please fill out the form here: <https://forms.gle/FzhgqSK5kGFG7Txz9>. So that we have time to allow for shoes to be shipped to the school, this form is due by the end of the day on Wednesday, August 13.

### **ALL-STATE AUDITION INFORMATION**

The All State audition materials are now available! The required etudes are posted [HERE](#). Please note - this link only tells you the required audition information, but does not include the actual etudes. You will need the book that these etudes are contained in, and these can be purchased at West Music. If you get in a bind, contact your lesson teacher and we can get you the etudes as well.

## Pre-Camp Updates

August 8, 2025

---

That should do it for now. We can't wait to see all of you at the meeting on August 4! If you have any questions before then, don't hesitate to contact us!
