

Anarchy Outpost AUS – DayZ Monetization Application

Monetization Perks

AnarchyOutpost wishes to offer the following supporter perks:

- Priority queue / reserved slot when joining the server.
- Priority support through the official Discord server.
- Early access to New and upcoming Mods via Discord
- Access to private Discord supporter channels where supporters can participate in discussions, provide feedback, suggest ideas, and help plan future server events.
- Cosmetic spawn customization for clothing (appearance only, no gameplay advantage).
- Cosmetic skins for weapons, clothing, vehicles and armor (appearance only, no gameplay advantage).
- Cosmetic skins that are compatible with the in-game spray can system are applied using the standard in-game spray can.
- Cosmetic skins for items that cannot be spray painted due to Mod limitations will be exchanged by an administrator. The supporter must provide the original vanilla item, which will be permanently removed before receiving the cosmetic equivalent. This process does not duplicate items or provide any gameplay advantage.

Cosmetic Policy

All cosmetic rewards are strictly visual and do not alter item statistics, durability, storage capacity, protection values, or gameplay in any way.

Any cosmetic clothing available to supporters will avoid camouflage patterns or colours that could provide an advantage in PvP gameplay, in accordance with the DayZ Server Monetization Rules.
