https://micronations.wiki/wiki/The_Republic_of_Aleutia/
"Currently the Republic does not currently have a constitution instead it operates under bills that are passed in the National Council, this is likely to be changed soon however. We understand we cannot enter without one however we hold good relations and word with The Head Chairman who may be able to vouch for us until a constitution is formed.
Aleutia requests to be admitted into LIN to be able to prosper diplomatically, create new relationships with other micronations and to work together as micronations to support one and other."

They were approved by the assembly.
