THE STORY

You awaken in the serene yet unfamiliar **Lotus Pavilion** with no memory of who you are or how you got there. Beside you is **Han**—a gentle, soft-spoken artist who claims to be your husband. He insists you simply suffered a fall and lost your memory. Everything he does seems devoted to your comfort... but the more you explore, the more unsettling things become.

Is Han truly who he says he is? And more importantly—who are you? You have 4 days to survive and find out the truth.
