	management and governance for the ADB-funded consultation project “Second Strengthening Higher Education Project” (SSHEP) in Lao PDR (2021-2023)
How are personal research activities reflected in teaching activities?	The research activities I have conducted or have been a part of, provide great support for me to address a range of specialist subjects during my lectures and to strengthen the discussion in each class. Further, it also aids in emphasising the research-driven teaching materials in the course, as I also use my publications (journal articles) as reading references depending on the topics.

Work experience:	
- General	<ul style="list-style-type: none"> - Faculty member at the Department of International Relations, Faculty of Social and Political Sciences, Universitas Padjadjaran (2015-currently) - Head of Internationalisation Unit, Faculty of Social and Political Sciences, Universitas Padjadjaran (September 2022-currently)
