Abstract (Times New Roman , Bold, 10 pt)

Abstract written in two languages, Indonesian and English. The number of words in the abstract is between 100 – 250 words , which is the essence of the articles. Abstracts are written in one paragraph with the format of one column and printed in italics with the font of Times New Roman 10 points. The abstract should be clear, descriptive, and should provide a brief overview of community service issues undertaken/researched. Abstracts include reasons for the selection of topics or the importance of research topics/community service, the aim of community service, methods of research/devotion, and outcome summary. The abstract should end with a comment about the importance of the result or a brief conclusion.

Keywords : maximum of 5 keywords, separating them with a comma (;) between them
