CHICANO LATINO YOUTH LEADERSHIP PROJECT BACKGROUND

The CLYLP is a statewide, community-based volunteer organization whose mission is to enhance and build the leadership potential of California's youth to build communities and create a stronger, more prosperous state and nation. CLYLP programs connect young people with community volunteers, policymakers and professionals to motivate leadership and civic engagement by strengthening cultural identity, self-confidence and community connections; and open doors to academic achievement, career growth, and leadership opportunities. CLYLP programs provide an opportunity to young people at a crucial moment in their lives to build their capacity and ambition, as well as alter their life courses.

CLYLP REGIONAL INSTITUTES

CLYLP offers four regional institutes: the Bay Area Institute, the Central Valley Institute (formerly San Joaquin Valley), the Inland Empire Institute, and the Los Angeles Institute. This year, each institute offers a one day intensive program open to 50 incoming juniors and seniors from the designated region. The program is hosted at a university campus and features powerful workshops focused on regional issues.

VOLUNTEERING FOR CLYLP INSTITUTES

CLYLP programs provide a life-changing experience for high school students with the help of a special team of volunteers. Serving as institute Facilitators, Peer Counselors and Support Staff, these exceptional individuals commit to spend a day mentoring and sharing their talents with students, making a significant impact on the students' lives. CLYLP seeks energetic volunteers from various backgrounds and experiences to guide and shape California's future leaders. CLYLP alumni are especially welcomed to re- connect with the CLYLP familia by volunteering as institute staff members.

COMMITMENT AND REQUIREMENTS

The main responsibility of institute staff is to supervise and ensure the safety of the high school participants. Staff is required to participate in all institute activities and must commit to attend all day. Volunteers will complete a half-day of training prior to the start of the institute.

- All activities take place in the designated city of the institute.
- Volunteers must make their own travel arrangements to/from designated pick up/drop off locations at their own cost
