

## Compound GWG Terms of Service

*Last Updated: November 22, 2024*

Your use of the Compound GWG Services is governed by this contractually binding agreement (the "**Terms**"). The "**Services**" mean Compound GWG's provision of security solutions to a decentralised computing protocol and/or a decentralized autonomous organization and/or a similar group or entity and any related user of the Services (a "**Protocol**"), as described in a governance, treasury, or similar proposal that references these Terms (a "**Proposal**"), which may include, but are not limited to all governance mandates in such proposal, including any advice, recommendations, blog posts, forums, and other governance services or materials that may be offered from time to time by Compound GWGI.

The Services provided to the Protocol pursuant to the Proposal have different types of end users and integrators, which may include but are not limited to:

- the Protocol;
- users and other stakeholders of the Protocol;
- Protocol-token holders;
- other users that access the Services through any medium.

We refer to these end users of the Services collectively as "**Users**" or "**you**" for purposes of these Terms. Regardless of what type of User you are, you acknowledge that these Terms create a legally binding agreement between you and Compound GWG and explain the contractual agreement governing use of the Services.

By voting in the Compound GWG, you agree to indemnify and hold harmless Compound GWG and its affiliates, from and against any and all losses, liabilities, damages and all related costs and expenses (including reasonable attorneys' fees, litigation, settlement, judgment, interest and penalties) resulting from an actual or threatened claim, action or proceeding relating to or arising out of your use of the Services or your inability to use the Services, your violation of any these Terms or your violation of any rights, including intellectual property rights, of a third party, or your violation of any applicable laws, rules or regulations. Compound GWG reserves the right, at its own cost, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you, in which event you will fully cooperate with Compound GWG in asserting any available defenses.
