

1.

The world is a beautiful place,
The colors are so bright and true,
And I feel free and free-spirited,
When I'm away from here.

I feel the wind in my hair,
And the sun on my face,
And I know that this is where I belong.

2.

This is the way the world ends
Not with a bang but a whimper
T.S. Eliot

3.

The world is a beautiful place,
But it's also full of pain.
There's so much love and hate,
And it can be hard to find your way.
But if you look for the good,
You'll find that it's still there.
