ABSTRACT

Abstract is written in one paragraph that includes four things: (1) Statement of the Problem, (2) Research questions, (3) Method; and (4) findings/results. The author can also write down things that are considered very important in this abstract, while paying attention to the maximum word limit [300 words].

Keywords: *3-5 Words/phrase*

ABSTRAK

Abstrak ditulis dalam satu paragraf yang memuat empat hal: (1) Rumusan Masalah, (2) Pertanyaan penelitian, (3) Metode; dan (4) temuan/hasil. Penulis juga dapat menuliskan hal-hal yang dianggap sangat penting dalam abstrak ini, dengan tetap memperhatikan batas maksimum kata [300 kata]..

Kata kunci: *3-5 Words/Frasa*

A. PENDAHULUAN

Pendahuluan harus mencakup dua hal: (1) permasalahan yang diteliti; (2) Pentingnya permasalahan. Pendahuluan (juga teks berikutnya) ditulis dengan font **Bookman Old Style 12pt** dan spasi 1. Kata atau frasa bahasa asing ditulis miring, sedangkan penulisan transliterasi Arab-Latin mengacu pada transliterasi Arab-Indonesia sesuai SKB 3 Menteri.

The introduction should include two: (1) the issues studied; (2) The importance of issues. The introduction (also the next text) is written with **Bookman Old Style 12pt** and space 1. Foreign language words or phrases are written italic, while Arabic-Latin transliteration writing refers to Arabic-Indonesian transliteration according to SKB 3 Menteri.

B. METODE

Deskripsikan cara penulis membahas permasalahan yang disajikan secara jelas, singkat dan padat.

Discribe way the author discusses the issue that is presented clearly, briefly and densely.

C. HASIL DAN PEMBAHASAN

Pembahasan berisi hasil temuan penelitian dan pembahasannya. Tuliskan temuan-temuan yang diperoleh dari hasil penelitian yang telah dilakukan. Temuan-temuan yang dituliskan harus didukung dengan data-data yang memadai. Temuan-temuan diarahkan untuk menjawab pertanyaan atau hipotesis yang telah dikemukakan.

Penyajian data dan pembahasannya harus dilakukan dengan cara perujukan pada sumber-sumber primer. Sumber primer yang dijadikan acuan adalah sumber primer mutakhir, 10 tahun terakhir, terutama berasal dari artikel-artikel jurnal ilmiah. Bila perujukan tak dapat mengindarkan sumber sumber primer klasik, maka perujukan sumber primer tersebut harus didukung sumber-sumber mutakhir. Penggunaan sumber primer dalam keseluruhan artikel tidak kurang dari dua puluh sumber primer.

The discussion contains the results of research findings and discussion. Write down the findings obtained from the results of the research that has been carried out. The findings written must be supported by adequate data. The findings are directed at answering questions or hypotheses that have been put forward.

Data presentation and discussion must be carried out by referring to primary sources. The primary sources used as references are the latest primary sources, from the last 10 years, mainly from scientific journal articles. If the reference cannot avoid classical primary sources, then the reference to the primary source must be supported by recent sources. The use of primary sources in the entire article is no less than twenty primary sources.

D. KESIMPULAN

In this section, the author writes the closing words in the form of conclusions from the results of analysis or discussion and suggestions or recommendations for the next research project. Authors can also reward those who have contributed to the research.

Pada bagian ini penulis menuliskan kata penutup berupa kesimpulan dari hasil analisis atau pembahasan dan saran atau rekomendasi untuk proyek penelitian selanjutnya. Penulis juga dapat memberikan penghargaan kepada pihak-pihak yang telah berkontribusi dalam penelitian ini
