

Privacy Policy

Your privacy is important to **Royal Games Apps**

Personal Information

We may use personal information submitted by you only for the following purposes: help us develop, deliver, and improve our products and services and supply higher quality service; manage online surveys and other activities you've participated in.

In the following circumstances, we may disclose your personal information according to your wish or regulations by law:

- (1) By requests from public and governmental authorities;
- (2) By the applicable law within or outside your country of residence, legal process, litigation requests;
- (3) To protect our legal rights and interests.

We DO NOT collect, store or use any personal information while you visit, download or upgrade our products.

Use of Collected User Information

We use the collected information solely for the purpose of tracking bugs, improving the Application functionality and enhancing user experience.

We also use Google Admob SDK and Unity SDK for advertisements in our applications.

Anonymous Data

Royal Games Apps may use the service provided by Google Analytics. Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. Personal Data collected: Cookie and Usage data.

Modifications to this Privacy Policy

This Privacy Policy may be revised periodically. Notices will be sent to users to advise the changes.

Inquiries

If an user has any questions about this Privacy Statement or any complaints or comments on how the Company handle the user information related to the Service, please write to royalgamesapps@gmail.com
