

# Vancouver Ice Cream Festival 2025

## Winners

Thank you for participating in one of our festival activities! I truly appreciate each and every one of you who did join in on the festival passport and/or the festival missions.

Below are the winners drawn with a random picker based on the number of entries calculated for each individual.

**All winners will be contacted by Noms Magazine via. Instagram DM (from @nomsmag) OR via email (from jason@nomsmagazine.com) by Tuesday, Sept 2, 2025.**

If you do not reply to the message after Sept 12th, your prize will be voided.

For Mission winners, you should ideally be retrieving your prize within 1 - 2 months time. We've had some feedback from previous vendors saying they did not like winners dropping by 8 months later to randomly pick up their prize.

For that reason, it would be fair for the vendor to invalidate your prize if you choose not to retrieve your prize within an acceptable timeframe.
