

Scholarship Application Criteria

(2) \$500 awards for Information Technology Essentials students

These scholarships are for students participating in Delta-Schoolcraft CTE IT Essentials program. Two \$500 scholarships will be awarded in mid April so local schools can recognize the student at their award ceremonies.

The Scholarships will be based upon the following criteria:

- Student must be a graduating senior.
- Must be enrolled in the IT Essentials program.
- Must have a B or better grade point average in their CTE program.
- Must be pursuing a career in an IT related field.
- Must plan to use the scholarship to do something awesome.
- Must complete a scholarship application and personal statement essay.

Students are rated on the following areas:

- Performance in their Career-Technical Education Program.
- Interest in IT as a career.
- Attendance in their Career-Technical Education Program.
- Attitude.
- School and Community Activities.
- Work Experience.
- Essay.

Deadline for scholarship application submission is

3:00 p.m. on Friday, March 20th, 2026
