

Preacher

Music by Peter Markes

Lyrics by Ravi Candadai & Peter Markes (BMI)

March/April 2019

All the miles 'round the world
But where do we go from here
Adds up to nothing
If there's nowhere to go

All the aches in your heart
Will be yours to bear
If you don't find someone to love

And all the joys in your heart
They're yours to share
When you find that someone to love

I'm not a preacher
I'm not a teacher
But I have a few things to say

I'll tell you once
I'll tell you twice
Stay where you are
And you'll pay the price
Take that chance
And break your trance
Play that song
We know it keeps you strong
And we'll be singing along

La la la la la la...

Go back out 'round the world
And find your pearl in the sand
Climb aboard, it's alright
To lose site of the land

All the pain in your heart
Will be yours to bear
'Til you find that someone to love

All the love in your heart
Will be yours to share
Intertwined from heav'n above

I'm not a preacher
I'm not a teacher
But I have a few things to say

I'll tell you once
I'll tell you twice
Stay where you are
And you'll pay the price
Take that chance
And break your trance
Play that song
We know it keeps you strong
And we'll be singing along

La la la la la la...

I'm not a preacher
I'm not a teacher
But I have a few things to say
