About our golf club

Spanning 6,289 yards, our 18-hole, par 71 course is designed to test players of every skill level. It combines technical challenges with natural beauty, making every round a memorable one.

Course highlights include:

- Hole 13: offering spectacular views across Draycote Water, a favourite among visitors and members alike.
- Curlie's Corner: our signature hole. At just 184 yards from the medal tee, it may seem short, but the green is tightly guarded by water. Precision is everything here, and one misjudged shot can easily cost a par or birdie.
