

DANIËL LAKENS
CURRICULUM VITAE

Department of Human-Technology Interaction
Eindhoven University of Technology
Room ATLAS 9.402, Postbus 513, 5600 MB, Eindhoven, The Netherlands.
Tel: 06-24613918, E-mail: D.Lakens@tue.nl
· [Google Scholar](#)  [Blog](#)  [ORCID](#)  [Website](#)

Employment

01-12-2025 – now

Full Professor, Department of Human-Technology Interaction, Eindhoven University of Technology (1 fte, tenured)

01-07-2019 – 30-11-2025

Associate Professor, Department of Human-Technology Interaction, Eindhoven University of Technology (1 fte, tenured)

01-06-2012 – 30-6-2019

Assistant Professor, Department of Human-Technology Interaction, Eindhoven University of Technology (1 fte)

01-01-2010 – 31-05-2012

Post-doc, Department of Human-Technology Interaction, Eindhoven University of Technology

01-09-2009 – 31-01-2010

Lecturer, Department of Social and Organizational Psychology, Utrecht University

01-09-2005 – 31-08-2009

PhD-student, Department of Social and Organizational Psychology, Free University Amsterdam and Utrecht University

Education

Ph. D., Social Psychology, September 2005 – September 2009

Phd Defense Date: January 19th 2010

Utrecht University.

Doctoral thesis: Abstract Concepts in Grounded Cognition.

M.A., Social and Organizational Psychology, 1998– 2002

Leiden University

VWO, 1992–1998

Caland Lyceum, Rotterdam

Awards

- Ammodo Science Award for Fundamental Research in Social Sciences 2023
<https://ammodo-science-award.org/en/fundamental/laureate/daniel-lakens/>
- Leamer-Rosenthal Prize for Open Social Science in the category “Leader in Education” (\$10,000), 2017.
- Best Teacher of the Year award at Eindhoven University of Technology, 2014.
- Awarded ‘Scientific Talent’ by Ionica Smeets & Diederik Jekel in Dutch TV show ‘Die komen er aan... 2015’. (broadcasted by VARA, 31-12-2014).

http://www.npo.nl/die-komen-er-aan-2015/31-12-2014/VARA_101373601

European Social Cognition Network (ESCON) best paper award, ESCON conference 2009, Warsaw, Poland.

Teaching

Basic Teaching Qualification (Basis Kwalificatie Onderwijs), TU/e, 2012

Metascience (2024–now). Master Human–Technology Interaction.

Advanced Cognition (2013–now). Master Human–Technology Interaction.

Introduction to Psychology & Technology (2013–now). Bachelor Psychology & Technology.

Human Factors (2016–2023). Bachelor Psychology & Technology.

Behavioral Research Methods and Ethics (2016–now). Bachelor Psychology & Technology.

Programming Experiments in Authorware (2004 – 2011). Research master students, VU University Amsterdam.

Social Cognition (2009–2010). 3rd year bachelor students, VU University Amsterdam.

Grants

PI: VICI personal research grant from NWO (The Netherlands Organisation for Scientific Research) for 2025–2030 (€1.500.000).

Co-Applicant “Transparency Check” Thematic Digital Competence Centers grant NWO (250.000).

Ammodo Science Award for Fundamental Research in Social Sciences 2023 (€350.000)

Co-Applicant “The Power of One: Towards the Representation of Unheard and Unseen Individuals in the Hospital, Workplace and Neighbourhood” (€479.347)

Challenging future generations Strategic Alliance 2021–2023. (€168.000 in 2021, €154.990 in 2022, €156.357 in 2023)

Co-Applicant “Stress recovery during exposure to natural and urban environments: A multi-lab replication” NWO Replication Grant 2017. PI: Karin Tanja–Dijkstra (\$142.136)

PI: VIDI personal research grant from NWO (The Netherlands Organisation for Scientific Research) for 2017–2022 (\$983.000).

Co-Applicant TU/e Innovation Call 2017 (\$10.795). Automated personalized e-mail feedback to students with mailR. With Chao Zhang and Karin Smolders.

PI: Social Science Meta-Analysis and Research Transparency (SSMART) grant 2015 (\$21.900,-). *Will knowledge about more efficient study designs increase the willingness to pre-register?*

PI: TU/e Innovation Call 2016 (\$33.050). Intermittent Quizzes in Video Lectures. With Prof. Dr. Chris Snijders.

PI: Social Science Meta-Analysis and Research Transparency (SSMART) grant 2015 (\$30.000,-). *Examining the Reproducibility of Meta-Analyses in Psychology.*

PI: STW Valorization Grant Phase 1 (\$27.783). Heart2Bit: Measuring Emotions with a Webcam through Remote Photoplethysmography. With Peter Lewinski, Marten den Uyl, Prof. Dr. Wijnand IJsselstein, and Dr. Lucas P.J.J. Noldus.

PI: ECIS (Eindhoven Centre for Innovation Studies) Synergy research grant (\$11.113). *Mediated Morality: Exploring the Consequences of Information Technology on Moral Behavior in Virtual Environments.* With Dr. R. Broeders, Dr. B. van Bezooijen, and Dr. A. Pols.

Postdoctoral Travel Grant from European Association of Social Psychology (\$889).

Co-applicant on Grant from Philips Lighting “*The Bright Side of Light: A Research Agenda to Enhance Well-Being and Performance*” with Prof. Dr. C. Midden and Dr. Y. de Kort (\$27.783).

Grants for the *ASPO Blits!* conference from the Association of Social Psychology (\$1.111 in

2010, \$1.667 in 2012).

Activities in Professional Bodies

Co-Director Paul Meehl Graduate School (with Sajedeh Rasti) (2024–present).
 Editor Peer Community in Registered Reports (2023–present).
 Editorial board Institute for Replication (2023–present).
 Advisory board Netherlands Ethics Council for Social and Behavioral Sciences Nethics (2022–present)
 Advisory board Reproducibility Network The Netherlands (RNNL (2022–present)
 Chair Ethical Review Board Eindhoven University of Technology (2021–present)
 Chair Eindhoven Young Academy of Engineering (2020–2021)
 Chair FWO expert panel G&M3 (2019 – 2021)
 Program Committee Replication Studies NWO (2016– 2020)
 Member NWO VIDi committee social sciences (2020–2021)
 Member FWO expert panel G&M3 (2016 – 2019)
 Methodological Consultant for Personality Science (2020–present)
 Associate Editor for Meta–Psychology (2017– present).
 Associate Editor for Cognition & Emotion (2017– 2019).
 Consulting Editor for Social Psychology (2016– 2019).
 Editorial Board of Social Psychological and Personality Science (2015– 2018).
 Consulting Editor for Comprehensive Results in Social Psychology (2014– 2018).
 Associate Editor for Frontiers in Psychology: Cognition (2013–2016).
 Guest editor (with Brian Nosek) Special Issue of *Social Psychology* “Replications of Important Results in Social Psychology”, appeared April, 2014.
 ASPO Jaarboek Sociale Psychologie editorial team, 2012.
 ASPO Jaarboek Sociale Psychologie editorial team, 2011.

Reviews: <https://www.webofscience.com/wos/author/rid/K-3831-2015>

Invited Presentations & Conference Contributions

[01-10-2021] Colloquium ‘When It’s OK to Use P-Values to Make Dichotomous Decisions’, Cornell University, Psychology Department.
 [23-09-2021] Invited Speaker, Metascience Conference, ERB vs. QRP
<https://www.youtube.com/watch?v=HdzRLcFPjU>
 [24-05-2021] Keynote ‘Best practices versus the Pareto Principle: When is Your Study Good Enough’, Postgraduate Research Conference at the Department of Psychology at Lancaster University, UK.
 [19-05-2021] Keynote ‘Towards a more reliable and efficient psychological science.’ Dutch Developmental Psychology Conference.
 [07-11-2019] Keynote ‘The Future of Science’, Research Day Built Environment Faculty, Eindhoven University of Technology, The Netherlands
 [16-10-2019] Invited Speaker, ‘Improving Your Statistical Questions’, Royal Statistical Society of Belgium, Sint-Truiden, Belgium.
 [14-09-2019] Keynote ‘Designing Informative Studies and Publishing Null Results’, SHARE Day, Graduate School of Medical Sciences, University of Groningen, The Netherlands
 [30-08-2019] Keynote ‘The Reproducibility Crisis in Research: Methodological Issues and Proposed Remedies’ Annual Conference International Society of Psychoneuroendocrinology
 [30-05-2019] Invited Speaker, ‘Why all p-values should be banned (and other norms you

- can ignore)' Inaugural Experimental Psychology Open Science Seminar', Oxford University, UK.
- [02-05-2019] Invited Speaker, Towards a more reliable and efficient psychological science. University of Hertfordshire, UK.
- [04-03-2019] Invited Speaker, Towards a more reliable and efficient psychological science. University of Cork, Ireland.
- [20-02-2019] Improving Approaches to Statistical Inferences for Sport Science Researchers. Wurzburg, Germany.
- [19-02-2019] Increasing impact, reproducibility, and credibility through open science. Information Meeting on the "Call for Proposals for Confirmatory Preclinical Studies and Systematic Reviews – Quality in Health Research" of the BMBF
- [09-02-2019] Invited Speaker, Justify Everything. University of Glasgow, Scotland.
- [04-02-2019 – 08-02-2019] Experimental design to produce reliable and efficient research, PS statistics, Glasgow, Scotland.
- [24-01-2019] Keynote: Towards more efficient and reliable science. Association for Researchers in Psychology and Health, Egmond aan Zee, The Netherlands.
- [08-01-2019] Workshop Meta-Analyses. Cumberland Lodge, BBRSC workshop, UK.
- [21-11-2018] Towards more replicable research. University of Bonn, Germany.
- [9-11-2018] Replication and Falsification. From Questionable Research Practices to Sound Science workshop University of New South Wales, Sydney, Australia.
- [8-11-2018] Improving Statistical inferences, University of Sydney, Sydney, Australia.
- [6-11-2018] Towards more replicable research. Department of the Prime Minister and Cabinet, Canberra, Australia.
- [30-10-2018] Replication and Falsification, Statistical Error conference, Groningen, The Netherlands.
- [22-10-2018] Designing Informative Studies, workshop, Frankfurt, Germany.
- [26-9-2018] Research Ethics, Radboud University Nijmegen, The Netherlands.
- [26-9-2018] Enhancing Natural Product Clinical Trials, National Institute of Health, Washington, USA.
- [11-8-2018] Designing more efficient, informative, and reliable studies, Embodied Sentence and Language Processing conference, Lancaster, UK.
- [30-7-2018] Improving Research: Lessons from the Replicability Crisis in Science, Erasmus Medical Centre, Rotterdam, The Netherlands.
- [10-6-2018] On the Reproducibility of Meta-Analyses, Research Synthesis conference, Trier, Germany.
- [29-05-2018] Workshop for journalists at the NOS.
- [06-03-2018] Workshop for science journalists for the Persgroep.
- [27-02-2018] Sample Size Justification. University of Osnabrück, Dusseldorf, Germany.
- [28-02-2018] Studium Generale lecture at Utrecht University.
- [27-02-2018] Workshop in Osnabruck, Germany.
- [21-2-2018] Improving Research: Lessons from the Replicability Crisis in Science. Trivago, Dusseldorf, Germany.
- [15-02-2018] Presentation at the Reflections on Replications workshop at Utrecht University.
- [26-01-2018] Workshop with Nick Brown at the Geneva School of Economics and Management. I'll also visit CERN at the 29th of January.
- [27-10-2017] Workshop for graduate students on pre-registration and publication bias at Nijmegen University, The Netherlands.
- [29-09-2017] Invited presentation at conference on Bayesian statistics at Nottingham Trent University, UK,
- [24-7-2017] Talk at "Social Cognition 2.0 – What makes good social cognition research?". meeting, "Good Social Cognition Research: A Taxpayers Perspective", Cologne, Germany
- [17-7-2017 – 20-7-2017] Workshop "Practical Recommendations to Increase the Informational Value of Studies", Zürich, Switzerland.

- [27-6-2017] Keynote "Scientific errors should be controlled, not prevented" at workshop on "Scientific Error" at Tilburg University, The Netherlands
- [16-6-2017] Workshop "Some simple improvements to how we do science", Göttingen, Germany
- [1-6-2017] "What we have learned about how we can improve our science?" at Booking.com, Amsterdam, The Netherlands
- [18-5-2017 - 19-5-2017] Workshop "Practical Recommendations to Increase the Informational Value of Studies", München, Germany.
- [13-5-2017] "Designing Efficient and Informative Studies", Cardiff, UK
- [8-4-2017] Teacher in advanced statistical methods for reproducible science workshop organized by Dorothy Bishop, Marcus Munafo, and Chris Chambers, Windsor, London.
- [9-2-2017] "Open Science voor een Transparante en Efficiënte Wetenschap" [Open Science for a Transparent and Efficient Science] at launch of the Dutch national plan for open science, The Hague, The Netherlands
- [12-1-2017] Workshop on Understanding Statistical Numbers for Journalists, Persgroep.
- [28-10-2016] October 28th, Workshop "Open Science and Good Research Practices", Humboldt-Universität Berlin, Germany.
- [22-9-2016] Workshop 'Designing more informative and more efficient studies' at Keio University, Tokyo, Japan.
- [17-9-2016]. Keynote "Towards a reliable and cumulative psychological science" Japanese Society for Social Psychology, Kwansei Gakuin University, Japan.
- [13-7-2016] Open Science. Workshop at the European Association for Decision Making Summer School in Amsterdam.
- [21-6-2016] Designing Efficient Informative Studies. l'Université libre de Bruxelles, Belgium
- [2-6-2016] Good Research Practices and Open Science. University of Toronto, Canada.
- [31-5-2016] Designing efficient informative studies. University of Urbana-Champaign, IL, USA.
