

Cleveland Elementary
Student-Parent-Teacher Compact
2024-25

Student	Parent	Teacher
As a student, I will share the responsibility to improve my learning by: • Doing my homework everyday and asking for help when I need to. • Giving my parents or the adult who is responsible for me all notices and information from school everyday. • Coming to school every day, if I am healthy, arriving on time and being ready to learn. • Paying attention to my teacher and asking questions when I need help. • Following directions and all school rules. • Always respecting the school, classmates, staff and families. • Reading on my own and with my family every day.	We, as parent/family, will support our children's learning in the following ways: • Making sure my child attends school regularly and arrives on time. • Making sure that homework is completed. • Consistently supporting school rules. • Staying informed about my child's education. • Communicating with the school by promptly reading all notices from the school. • Providing a quiet time and place for my child to complete homework. • Reading aloud to my child or listening to my child read each day. • Communicating with the teacher or the school when I have a concern.	We, as teachers, at Cleveland Elementary will: • Provide high quality curriculum and instruction. • Hold parent-teacher conferences 2 times per year that provide details about student progress and discuss the individual child's achievement. • Provide parents with frequent reports on their child's progress through reports, notes, and phone calls. • Provide parents with reasonable access to staff, by letting parents know how and when teachers may be contacted. • Provide opportunities for parents to volunteer and participate in their child's class. • Provide effective learning strategies, and share strategies that can be used to meet goals at home. • Participate in professional development opportunities that improve teaching.
