Moral Education

1. Let's take some time to research the organizations and individuals that fight discrimination and prejudice internationally.
 - Find an organization that fights discrimination and promotes equality.
 - Look at the charter of human rights and identify how these rights are connected to prejudice and discrimination.
2. Conduct research on the UAE Charter of Tolerance and Coexistence and Peace. Discuss its aims. Suggest ways in which tolerance can be applied to our behaviour at the level of family, school and youth groups.
3. Prepare a presentation on the roles of international and UAE organizations in reducing and treating contagious diseases, and compare these roles. If possible, use an electronic format so you can include photographs and images.
