IOWA REFORMED PRESBYTERIAN FAMILY CAMP
FINANCIAL AID REQUEST

With a desire to assist individuals/families to attend the Iowa RP Family Camp, it has been decided to allocate a set amount of money to be distributed as financial assistance to those having difficulty in affording the family camp. In order to facilitate this, we are requiring individuals/families requesting financial assistance to print this **Request Form**, fill out appropriate blanks and **submit it to their Church Leaders.** Once your church leader has indicated any aid amount and signed the form, it should be **sent to the Camp Board via the Registrars** for consideration. We believe that the local congregation (not necessarily an RP congregation) should have the first opportunity to grant financial assistance to their members, and therefore needs to be aware that a financial need exists. Before the Iowa RP Family Board considers any requests, the local congregation needs to advise us of any funds provided for this purpose(see Step 2).

BASIC GUIDELINES FOR Financial Aid CONSIDERATION:

- Financial Aid will be considered for those who have completed this form.
- Financial Aid is for individuals and/or families.
- Financial Aid is for up to 50% of full rate.
- Registration for camp must be completed. After registering, you will receive an email from the registrars with the total cost for attending camp but it won't reflect any financial aid provisions. This may take a few days.
- Registration should be started before June 1st.
