HYSO Winter Basketball 2027

The HYSO Basketball program is run by the Hopkins Youth Sports Organization (HYSO), in cooperation with the Hopkins Varsity Girls and Boys Basketball Programs. We are lucky to have our HS coaches and players help with the program, so in return proceeds will go to the Hopkins High School basketball programs. However, this year, their seasons are cut short, with the same amount of games expected. So we are asking for more volunteers to help.

Anyone in grades Kindergarten through 6th is encouraged to participate. We play on Saturday mornings in January and February. The players will receive a t-shirt and gain valuable lessons in sportsmanship and the fundamentals of basketball.

VOLUNTEER:

Parent volunteers are always welcome to help run drills or in whatever way our HS athletes and coaches need. If you would be willing to do either, please indicate that while signing your player up.

COST:

*K-2nd grade - $25 per player
*3rd-6th - $35 per player
*Maximum of $70 per family

Payment can be sent via Venmo to @HYSOBasketball anytime. Cash or check payments can be made out to HYSO, and turned in to Hopkins Elementary or High School office, or on the first day your child attends.

EVALUATIONS:

Depending on numbers, we will do evaluations for 3rd-6th, before the season starts. This will help make teams ahead of time, and allow for more time for t-shirts. Dates TBD for now.
