

Privacy Policy for Vertex Four

Effective Date: June 29, 2026

Thank you for playing **Vertex Four**. This Privacy Policy explains how the game handles user information.

Introduction

Vertex Four is an offline casual board game designed for entertainment. We respect your privacy and are committed to protecting it. The game is designed to operate without collecting personal information from users.

Information We Collect

Vertex Four does **not** collect, store, transmit, or share any personally identifiable information.

The game does not request information such as:

- Name
- Email address
- Phone number
- Home address
- Contacts
- Photos
- Camera data
- Microphone recordings
- Location information
- Payment information
- Device identifiers for profiling

Permissions

Vertex Four does **not** request any Android permissions to function.

The game does not require access to:

- Camera
- Microphone
- Storage
- Contacts
- Location
- SMS
- Phone

- Calendar
- Bluetooth
- Nearby Devices

You can use every feature of the game without granting any device permissions.

Offline Gameplay

Vertex Four is designed to work completely offline.

No gameplay information is uploaded to external servers.

No user account is required.

No internet connection is required to enjoy the game.

Data Storage

If the game saves settings or preferences in future versions, they are stored locally on your device only.

This information never leaves your device and is not shared with the developer.

Third-Party Services

Vertex Four does not require third-party accounts to play.

Depending on future updates, optional services such as analytics or advertising may be introduced. If this happens, this Privacy Policy will be updated accordingly before those features are released.

Children's Privacy

Vertex Four is suitable for general audiences.

The game does not knowingly collect personal information from children or users of any age.

Data Security

Because Vertex Four does not collect personal information, there is no personal user database maintained by the developer.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time to reflect improvements or changes to the application.

Any future changes will be published in an updated version of this Privacy Policy with a revised Effective Date.

Contact

If you have any questions regarding this Privacy Policy, you may contact the developer through the contact information provided on the application's store listing.
