Dear Parents/Guardians,

This year's Halloween Costume Parade will take place on October 31 at 1:30PM. Please note that children should wear their costumes to school. Costumes should be simple as students need to sit in their seat comfortably and maintain all safety protocols throughout the day. When selecting a costume, please remember that masks should not impair your child's vision or breathing. Please keep in mind that your child will be walking up/down staircases, please ensure that their costume allows them to safely manage this task. Inflatable costumes should not be worn to school. As a school community, our focus is on facilitating an atmosphere of respect and kindness. This includes maintaining an environment of non-violence. Toy guns, swords, or any items that resemble weapons are not permitted.

This is a fun family event and extended family members are more than welcome to attend. Please refrain from bringing pets to the parade for safety reasons. Please remain at the parade until it is over (after the fifth graders) to reduce the amount of vehicle and pedestrian traffic while the parade is taking place. We want all of our students to have fun and most importantly remain safe. The route for the parade will be shared in the near future. We hope to see you at the parade!

Sincerely,

Jill Antoniello
