

AGUA CALIENTE ELEMENTARY SCHOOL PTG (ACES PTG) Sponsorship Program

This 2023–2024 school year, we are raising funds to support our teachers, upgrade our school's equipment, add shade structures to our playgrounds, replace/upgrade aging technology and host various events to create the best learning environment for our students. Your sponsorship is critical to making this happen.

We have numerous events planned for the school year. Our big event is the Halloween Howl. At this event, we will have games, activities, arts, trunk or treating and much more. To make this happen, we need volunteers and funding for all the supplies. We want to bring our community together to make us stronger and closer. Your local business can be a part of this with your support and sponsorship for our events!

This is a wonderful opportunity to make a charitable donation (501C) and receive premier marketing of your company to over 400+ families and help make our school and community better. Below, you will see the different levels of sponsorship your business can provide, and how we will market and promote your company.

Together we can make these upgrades and events happen and build amazing memories! Let's make a real difference in our city, school and communities. Please reach out to us at fundraisingacesptg@gmail.com. We can't wait to work with you.

Platinum - \$1000	Gold - \$500	Silver - \$250	Family - \$100
