

Privacy Policy for EmiEasy- Loan Emi Calculator

Effective Date: 31-Aug-2025

Introduction

Welcome to EmiEasy - Loan Emi Calculator. Your privacy is important to us. This Privacy Policy explains what information may be collected when you use our app and how it is handled.

Information We Collect

Personal Information

EmiEasy Calculator does not collect, store, or request personal information such as your name, email address, phone number, or financial details.

Calculation Data

All EMI calculations are performed locally on your device. Your loan details, interest rates, and calculations are not transmitted to us.

Advertising Data

This app displays advertisements using Google AdMob. AdMob may automatically collect certain information to provide and improve ads, including:

- Device information (such as device model and operating system)
- Advertising ID
- IP address
- Approximate location (derived from IP address)
- App interaction and ad performance data

The information collected by Google is governed by Google's own Privacy Policy.

For more information, please visit:

- Google Privacy Policy: <https://policies.google.com/privacy>
- How Google uses information from apps: <https://policies.google.com/technologies/partner-sites>

How We Use Information

We do not collect or process your personal information.

Google AdMob may use collected information to:

- **Display relevant advertisements**
- **Measure ad performance**
- **Prevent fraud and abuse**
- **Improve advertising services**

Third-Party Services

This app uses the following third-party service:

- **Google AdMob (Advertising)**

We encourage you to review Google's Privacy Policy to understand how your information may be processed.

Data Security

Since EmiEasy Calculator does not store your personal information, no personal data is maintained on our servers. All EMI calculations remain on your device.

Children's Privacy

EmiEasy Calculator is not directed toward children under the age of 13. We do not knowingly collect personal information from children.

Google AdMob may serve ads in accordance with applicable laws and Google's policies.

Your Choices

You can reset or limit your device's Advertising ID through your Android device settings. You may also manage ad personalization through your Google account settings.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page along with a revised Effective Date.
