Objective of the event: (why this event has organize, Brief about Importance of the event)

1st OBJECTIVE -This event was organized for 2nd BHMS students as per Forensic medicine and toxicology curriculum part. The objective of NATIONAL FORENSIC SCIENCES UNIVERSITY- GANDHINAGAR visit is to make students come across the Forensic laboratory and procedures in forensic medicine. It was a great learning and fruitful visit. Students came across orientation lectures regarding the role of NFSU, Cyber defence centre and Ballistic centres of the forensic sciences university. They came to know about the scope and opportunities in forensics.

Flow of the event: mention the flow / schedule of the event in detail.

- 1) At 9:00 a.m. faculty members and 46 students (roll no. 1-50 on 02/08/2021) gathered at AHMC
- 2) At 9:30 A.M. All departed from college
- 3) At 10:00 a.m. Reached at NFSU- Gandhinagar
- 4) at 10:30 a.m. onwards, attended lectures regarding NFSU, Cyber defence centre and Ballistics along with scope in forensics.

Significance/Outcome:

(Include questions and answer session with expert and students, what students learn from this event, include examples shared by expert faculties during the talk etc.)

This event was organized for 2nd BHMS as per FMT curriculum. Students attended a seminar regarding information and role of NFSU and scope of forensics as career opportunities. Students came across orientation lectures regarding role of NFSU, Cyber defence centre and Ballistic centre of the forensic sciences university. It was very motivational and inspiring visit as it encouraged students and everyone about opportunities in forensics inspite of having so many difficulties.

Conclusion:

ON 02/08/2021 and 03/08/2021, Aarihant Homoeopathic Medical College and Research Institute organized NATIONAL FORENSIC SCIENCES UNIVERSITY- GANDHINAGAR visit. Students came across orientation lectures regarding role of NFSU, Cyber defence centre and Ballistic centre (fire-arm injuries) of the forensic sciences university. They also came to know about the opportunities in forensics.

It was very motivational, inspiring and great learning visit, as it encouraged students and everyone about opportunities in forensics.

PHOTOGRAPHS

A large group of students and faculty members posing in front of the National Forensic Sciences University building.
