## INFORMATION ITEMS

**Student Forms:** Please sign and return Student Verifications which went home the first week of school. All other forms can be completed on School Cash Online.

Does your student have a medical condition we should know about? Find the form here: <https://www.dsbn.org/safe-accepting-schools/prevalent-medical-conditions>

**Student Transportation:** If your child is scheduled to take a bus this school year and **will not** be riding the bus, please "Opt-Out" of this transportation at [general@nsts.ca](mailto:general@nsts.ca)

**Entry & Dismissal Times:** As you are aware, our morning and end of days can be very busy with children both entering buses, walking home and getting picked up. During these times, we ask that you please avoid standing/parking at the bus loading zones, as we need to ensure our students are safe. To reduce as much congestion as possible, we also ask that if your child rides the bus to and from school, that they continue to do so daily. If for some reason your child will not be on the bus on a given day, we ask that you notify your child's teacher or the office to ensure everyone gets home safely. Lastly, please note that supervision in the mornings begins at 8:20am. .

Weekly Update

### **Stranger Danger!**

If your child walks home after school, please ensure that you have frequent conversations regarding safety and "stranger danger". Keeping our kids safe is always our number one priority.

**Special Occasions:** Although we love to celebrate special days with our kids, we are kindly asking that families not send in special treats for our students, unless they are clearly marked "nut free" and in packaging. Unfortunately, we have students with life threatening allergies that we all need to keep safe.

**Hot Lunches/Milk Program/Permission Forms:** Parents, please register for SchoolCash Online in order to pay for items and sign off permission forms. Call the office with any questions/problems.
