Email: _____@uga.edu Degree: __ MA __ PHD Semester Advised: __ Fall __ Spring+Summer

Discuss potential courses with your Major Professor or the Graduate Coordinator. Complete course descriptions are available on Athena or the Registrar's website. Refer to checklists of your degree plan on the Linguistics Department website to ensure you are taking the correct courses to graduate on time.

Students who have submitted their Final Program of Study Form to the Graduate School are exempt from this form, unless they are requesting LING 9010 research hours.

You may return this completed form to the Graduate Coordinator or an administrator for clearance to register and for creation of LING 7000, 7300, 9000, and 9300 courses - or follow the **Research Hours Handout** for email instructions. Include the name of the instructor with whom you are taking a LING 7000, 7300, 9000, 9010, or 9300.

LING 9010 courses require that instructor's signature in the box beside their name below.

The courses listed below are only recommendations. The student is responsible for their own registration.

Course Name	Course Number	Hours	Name of Instructor (with signature if 9010)

If you are requesting to take more than 21 hours, the Graduate Coordinator must write you a letter of recommendation for that change. Then, the Graduate Coordinator or an administrator will email it to the Graduate School with instructions on what to increase your hours to.

The signatures below only certify that an advisement meeting took place.
