ACADEMY OF DOVER
Family Educational Rights and Privacy Act

The Family Education Rights and Privacy Act (FERPA) sets out the requirements for educational institutions to notify parents and students of their rights for the protection of privacy under section 444 of the General Education Provisions Act.

Parents or eligible students have the right to:

(i) Inspect and review the student's education records;

(ii) Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights;

(iii) Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the Act and §99.31 authorize disclosure without consent; and

(iv) File a complaint under §99.63 and §99.64 concerning alleged failures by the educational institution to comply with the requirements of the Act.

Please contact the main office if you require an appointment to review your student's records.
