**DECISIVE PERSON**

**ACTIVITY # 1: FORTUNE ON WHEELS!**

Read the paragraph below, and then carefully study on what your decisions would be if you were in the situation.

Your good deed of returning a case of jewelries and diamonds you accidentally found on a public transport was rewarded by a rich businessman. He gave you a huge amount of money that will surely change your life. Your next move is to use the money wisely, and to make sure that every move you make leads to promote common good. In making such decision, what are your considerations? Why?

List down some of your expenditures. Is it worth your money? Why? At this time of pandemic, what should be your priorities? Do you find it hard to come up with a decision? Why? Why not

**PROCESSING QUESTIONS:**

1. How did you come up with such decisions?

**ACTIVITY # 2: YOU DECIDE!**

Read the following statements. Carefully decide on the best thing to do when faced with these situations. Then, write your insights on a clean sheet of paper.

- Two of your friends are having conflict and often disturb your peace of mind. How would you handle this situation?
- Describe a time you made an unpopular decision. How did you handle the feedback? How would you have handled the situation differently?
- Do you usually make better decisions alone or with a group? Why? When do you ask for help?
- In your experience, when you're working on a group project, do you make the most decisions or do you prefer to step back and follow someone

else's guidelines?

- In areas under General Community Quarantine, many have opened business establishments amidst the rising cases of Covid-19. However, health protocols are being implemented to ensure public safety so that usual business transactions continue. Our economy is badly affected by this worldwide health crisis but life moves on, citizens are caught in between working for a living or staying at home for safety health reasons. What is your stand on this?

**ACTIVITY # 5: SHARE YOUR THOUGHTS & FEELINGS**

Recall an instance in your life when you needed a confidant. Who was that person? Write him/her a nice and creatively done Thank You letter and let the person know how you turned out to be a better person now. Send it via regular mail, email or post in social media. Let him/her sign or acknowledge the letter and compile it together with your other activities.
