1. Approval of the Minutes - January-approved
2. Principal Report - Rachel
 - a. Share/Questions
 - i. School calendar will remain basically the same. Will essentially follow Nova's calendar. No additional snow day school days added back. The 7/8 graders will add a few hours to their camping trip
 - ii. Not a lot of covid, but lots of stomach bug going around
 - iii. Trying to get some subs for EAs
 - iv. High school committee established. Parents interested can join
 - v. Building updates, still negotiating, seem to be moving forward.
3. Board Liaison Report - Anna-Looking on ways to get students childcare on days they are off that are designated as teacher work days. People were wondering if this is something PFG might want to take on. General consensus, put a pin in it for now and revisit later before school year
 - a. Board Meeting Overview
4. Treasurer and Finance Committee Report - Jen J.
 - a. Finances from Kelly -- have you gotten all the data from others? Jenn N. suggests we just take just what we have made this year and start fresh. So take about \$2,400 from the basket raffle and merch sales as our "starting" balance. The rest that we started the year with, ~\$6,000 will just turn into a donation to the school.
 - b. Motion to start fresh with money from basket raffle and merch sales and donate the rest to the general fund. Motion approved.
5. Secretary Report - Kelly
 - a. Email-nothing much. Stopped forwarding all PFG emails to board members. Also would like to get all Official PFG stuff migrated from Jen N's google drive to the PFG google drive.

- b. Facebook Update-discussion about the family business weekly post.
We decided to add a rule that anyone can post anything on fridays so there doesn't have to be a regular post to post under.
 - c. Newsletter - Submissions are due on Wednesday of each week!
 - d. Website - Jessica-everything is migrated over from Eric to Jessica.
Jessica is suggesting we uncomplicate and think about starting fresh.
- 6. Non Profit Status update - Kelly
- 7. Committee Reports
 - a. Fundraising - Lori
 - i. Winter Warm Up
 - 1. How did it go? \$ made? Made about \$2085 from the basket raffle. Delay re-hashing this event until Lori is present.
 - 2. Get the baskets going sooner? Make a manual for planning/organizing the event? How we can get more parents to participate.
 - b. Community - Shannon
 - i. Teacher Appreciation-in may. The making things store was popular. Coffee order day was popular. It's also principal appreciation around the same time.
 - ii. Winter Warm Up
 - 1. How did the rooms go? Things that worked? Didn't?
 - 2. Teacher Survey -- About how Harvest Fest and Winter Warm Up went and what they would like to do again or change. Family survey as well about these events?
 - iii. Reschedule Coffee Meeting-this friday
- 8. New Business
 - a. NEW MEETING TIMES? Would Wednesdays work for people?
Leave on mondays and megan runs? Switch to wednesday? Agreed to leave on Mondays and Megan will take over running the meetings.
 - b. Fedco Seed Sale - Start ASAP or push to next year-basically runs itself. Will get started last minute for this year. But then do it earlier next year. Jenn will get it going.
- 9. Adjournments/Next Meeting
