Sub: Report on “Intellectual Property Rights & Patents” Event

* * *

Event Details:

- **Organized by:** Student Alliance for Innovation & Leadership (SAiL)
- **Venue:** C-i2RE, KITS Warangal
- **Date:** 25th February 2025
- **Time:** 11:00 AM onwards
- **Speaker:** Dr. Amaresh Panda, RTTP Lead-RTTO, KIIT-TBI (NBM, BIRAC)

1. Introduction

The Student Alliance for Innovation & Leadership (SAiL) at C-i2RE, KITS Warangal successfully organized an expert talk on "Understanding Intellectual Property Rights - Patent: Role in Innovation." The session was conducted by Dr. Amaresh Panda, an expert in Intellectual Property (IP) management and patent portfolio development. His extensive experience, including work with Alkem Labs Ltd. and Sun Pharma Industries Ltd., provided valuable insights to the attendees.

2. Objectives of the Event

The primary objectives of this expert talk were:

- To enhance the understanding of Intellectual Property Rights (IPR) and patent filing processes.
- To explore the role of patents in fostering innovation and commercialization.
- To facilitate interaction with an industry expert, allowing students and faculty to seek guidance and discuss potential collaborations for research and innovation support.

3. Event Proceedings

The event commenced at 11:00 AM with a welcome address by the organizing committee. Dr. Amaresh Panda then delivered a detailed and engaging presentation covering the following key topics:

- Fundamentals of Intellectual Property Rights
- Importance of patents in research and innovation

- Patent filing procedures and legal aspects
- Strategies for managing patent portfolios
- Case studies of successful patent commercialization

The session was followed by an interactive Q&A session where faculty members and students actively participated, raising queries regarding patent applications, industry collaborations, and the scope of IPR in academic research.

4. Attendance

The session witnessed active participation from faculty members and students. The attached attendance sheet provides a detailed record of attendees.

5. Key Takeaways

- Faculty and students gained a comprehensive understanding of IPR and patents.
- The importance of patents in protecting and commercializing innovations was emphasized.
- The interactive session enabled participants to clarify their doubts and explore future research collaborations.

6. Conclusion

The expert talk proved to be an enriching experience for all participants. The knowledge shared by Dr. Amaresh Panda will significantly contribute to fostering a culture of innovation and intellectual property awareness at KITS Warangal. The session concluded with a vote of thanks, expressing gratitude to Dr. Panda for his valuable insights and to all participants for their engagement.
