

FarmHouse's University of Minnesota Experience Weekend

For Male Students Interested in the University of Minnesota (Grades 9-12)

November 22-23, 2025

FarmHouse Fraternity • 1505 Cleveland Ave N, St. Paul, MN 55108

Experience what life is like as a University of Minnesota student during a special two-day visit hosted by FarmHouse Fraternity. This weekend is designed for male high school students who want to picture themselves on campus, explore new opportunities, and meet people who can help guide their path after graduation. The goal is to give students a first-hand look at the U of M experience—FarmHouse simply serves as the host and guide for the weekend.

Throughout the visit, you'll get to see the campus up close, tour residence halls and academic areas, and learn more about what student life is really like. You'll meet current students from a variety of majors, hear about different programs and activities, and get advice about applying to college and finding your place once you get there. The weekend is designed to be relaxed, informative, and fun, giving you the chance to ask questions and experience the University in a welcoming environment.
