Vaccination Guidance:

All students are able to attend Junior Prom. Proof of full vaccination is required to enter indoor facilities at the Junior Prom venue. Being fully vaccinated requires students to have received both doses for Pfizer or Moderna or one dose for Johnson & Johnson at least 2 weeks prior to the event. At this time, there is no additional booster requirement to enter.

Proof of vaccination can be an original, copy, or photo of your vaccination card or a [digital COVID-19 vaccine record](#) issued by the State of California. A student's vaccination card may be cross checked with a valid Photo ID.

Based on the City's ordinance, students will be required to show proof of vaccination prior to entering the venue. **Please note that students will need to show proof of vaccination at the time of ticket purchase as well.**

The City of Oakland has a process for those who are medically prohibited from vaccination. You may be exempt from these vaccination requirements if you are entitled to a reasonable accommodation for a medical condition. To qualify, you will need to show verification of medical exemption, proof of a laboratory based negative COVID-19 test taken within 48 hours of the event, and photo identification. Amador Valley High School Junior Prom Agreement

The Junior Prom is a special event. Student welfare and safety are of utmost importance. All individuals who will attend the Junior Prom must submit this form when purchasing a ticket. This form is required in the hope that all participants understand our expectations and our concern for safety.

Student: I realize that the Junior Prom is an important and exciting event, and at the same time, I agree that one's own safety is of the utmost importance. Therefore, I agree not to use drugs and alcohol prior to, during, or after the Junior Prom. I understand that I ride a bus to Junior Prom and that all school fines must be paid before purchasing a ticket. Furthermore, I understand that I am accountable for my own actions. Should this agreement be violated, the consequences for Amador Valley High School students will be suspension and a 30 day loss of school privileges, per the school discipline plan. I further understand that if I appear at Prom under the influence of drugs or alcohol, I will not be admitted and will be detained until a parent, guardian, or authorities arrive to take responsibility. The new law (SB1300) regarding persons 13-20 and the possession or consumption of alcohol or drugs will also be applied to the violation. The possible loss of license or deterrent to receiving a license could result.
