

IoT & Edge Developer Survey 2023 - External Social Kit

Twitter:

The 2023 #IoT & #Edge Developer and Adoption Survey is now open! Participate today to help the #opensource community gain a better understanding of how IoT and edge computing technologies are being used today: <https://www.surveymonkey.com/r/CVZXLB6> #IIoT #EdgeComputing

Join the @EclipseFdn's #IoT and #EdgeComputing communities in completing the 2023 IoT & Edge Developer and Adoption Survey. Your participation helps provide up-to-date industry data and identify future trends! <https://www.surveymonkey.com/r/CVZXLB6> #EdgeComputing #IIoT #opensource

For the first time, the #IoT & #Edge Developer and Adoption Survey includes questions about software #supplychainsecurity practices. Share your experience on this important topic today: <https://www.surveymonkey.com/r/CVZXLB6> #EdgeComputing #IIoT #opensource #cybersecurity

Have you completed the 2023 #IoT & #Edge Developer and Adoption Survey? Take a few minutes to share your thoughts and experience about solutions, development platforms, middleware, and much more: <https://www.surveymonkey.com/r/CVZXLB6> #EdgeComputing #IIoT #opensource

It's your last chance to participate in the 2023 @EclipseIoT and @EdgeNativeWG's Developer and Adoption Survey! Share your #IoT experience & #EdgeComputing expertise before the survey closes: <https://www.surveymonkey.com/r/GRR8C38> #opensource #developers #IIoT
