HOMEWORK!

Tonight:
1. Work on your storyboard (see handout).
2. Find 10-20 digital photos owned by you that will help tell your story and put them on a jump drive. **Please, 20 images MAX!**

Bring to Class Tomorrow:
1. Your completed storyboard (or as completed as possible)
2. 10-20 images for your story on a jump drive
3. Your written script (up to 30 seconds per image)
4. Your email password (just in case we need to transfer any files in class)

DAY #2   DIGITAL STORYTELLING

We will go over how to use Adobe Spark software.

You will create an Adobe account.

Make a note of your Username & Password.

We will now start putting it all together!

You will decide how to customize your story with a theme.

You will start creating the pages of your story video!

DAY #2 - HOMEWORK!

Tonight:
1. Reflect on the progress you've made so far - is there anything you wish to change?
2. Think about what kind of music might work well playing softly in the background of your story.

Bring to Class Tomorrow:
1. Your storyboard
2. 10-20 images for your story on a jump drive
3. Your script (up to 30 seconds per image)
4. Your email password (just in case we need to transfer any files to you in class)
5. Your Adobe username and password to log into Adobe Spark with

DAY #3   DIGITAL STORYTELLING

Today, we continue to work on your story.

We will work on recording audio and adding music layers to your video.

We will also go over how to share your video with others.
