Wheaton Warrenville South High School

January 5, 2024

Dear Parents,

The Wheaton Warrenville South Girls and Boys Track & Field parent meeting is scheduled for Thursday, February 1st. In an attempt to reduce the number of meetings and evening obligations, we combine the annual parent meeting with our team time trials. Attendance by your student-athlete and one parent or guardian is the expectation.

At this meeting you will have an opportunity to meet the girls and boys track & field coaching staff. The coaches will review team rules and expectations, communication, volunteer work, fundraising, sportsmanship and the schedule for the season. Your student-athletes, coaches and our athletic department need your support throughout the year. Please attend and help make the 2024 girls and boys track & field season a successful one.

The team will meet at 5:45 PM in the field house. At 6:00 PM, the parents and coaches will meet in the field house for our parent meeting. Following the parent meeting at about 6:45 PM, the girls and boys will be participating in our annual time trials in the field house. Parents are encouraged to stay and cheer. The event schedule will be limited to just a few events.

Thank you for your support and we look forward to meeting you.

Go Tigers,

Michael Healy
Athletic Director

Rob Harvey
Head Coach
