

GFI Directory of Co-Manufacturers, Co-Packers, Private Labelers, and Consultants

This directory is no longer being maintained. The new contract manufacturing database is available at www.gfi.org/resource/contract-manufacturing-database/

This list is not comprehensive and will be updated as GFI uncovers additional manufacturing partners through its ongoing global outreach efforts. This list is only for referrals, GFI does not endorse specific companies. If you have particular co-manufacturing or private labeling needs and would like GFI's help narrowing down which companies would be the most relevant partner(s), please contact us.

If you are a contract manufacturer, contract packer, or private label manufacturer with experience or interest in working with plant-based foods, please [contact GFI](#) to be included on this list.

If your brand is looking for a manufacturing partner with significant volume capabilities, please [contact GFI](#) for additional co-manufacturing referrals.
