

Good Afternoon Beverly Parents and Families,

I hope that you are enjoying this unexpected snow. While I am not a fan of the wet and cold, it certainly paints a beautiful landscape. I am writing to you today to share a video loom presentation that I hope will answer some of the questions that many of you have regarding COVID-19 and the response of the schools to any positive cases within our school community. Please take a few minutes to watch the video and feel free to reach out with any questions you may have to either [covidquestions@beverlyschools.org](mailto:covidquestions@beverlyschools.org), which is an email monitored by our school nursing staff, to your building principal or to myself at Central Office at [scharochak@beverlyschools.org](mailto:scharochak@beverlyschools.org). We appreciate our partnership with families and thank you for your patience and trust as we work together to keep our students and staff safe.

Please take care to remain vigilant with all safety measures that will help us prevent the spread of the virus and stay safe this weekend!
