There is a platform through which you can earn UPI cash for free.

However, on this platform you do not need to spend a single penny from your pocket, but yes, you will definitely have to invest some time in it. On this platform you get many small offers, by completing which you can easily earn UPI cash. I will not say that you can earn ₹1000 or ₹2000 daily through this platform, but if you use it wisely, it is absolutely possible to earn ₹50 to ₹100 UPI cash daily.

So what is this platform? How to create your account in it? And how to use it? To know all this, read this article till the end.

Website Name	Buckspe
Total Users	1k+
Trustpilot Score	3.6
Withdrawal Options	UPI Cash, Google Play Redeem Code, Amazon Gift Voucher, PayPal Cash

The name of this platform is “Buckspe”. Buckspe is a full network that offers users many ways to earn rewards. These rewards range from cash to various gift cards.

Users can fill out questionnaires and engage in offer walls, among other activities. The platform supports many payment methods. This includes UPI, PayPal, Google Play Gift Card, and Amazon gift vouchers.

This makes it easy and flexible for users worldwide. For online earners, Buckspe is a versatile and lucrative platform. It makes it easy for users to earn incentives and swap them for their preferred payment method.

So let me explain to you how you will create your account on this platform, after that I will explain to you how you will earn from this platform.

How to Create an Account?

Now I am going to tell you the complete process of signing up on this website. Please read every step carefully and follow all the instructions while signing up.

First of all, click on the link given in this article so that you can access the website.

After the website opens, you will see both sign up and login options on the top right. You have to click on the sign up option.

After this, enter your name and email ID. Also, create a strong password and then click on the sign up option so that your account is created.

Also, you can also login directly using any of your Google accounts by clicking on the **"Login with Google"** option.

This way you can easily sign up on the website.

How To Earn UPI Cash and Gift Vouchers?

There are three main options available on this website to earn different types of gift cards: completing surveys, referring your friends, and earning money by visiting the website. Now I will tell you in detail how you can earn money using these three options.

Offerwalls

There are some offerwalls available on this website, which include names like Notic, Time Wall, PubScale, CPA Leads, Revelm, Adamantium, AdBreakMedia, and AdSaveMedia.

Click on the offerwall: First, click on the offerwall that you want to complete. This will take you to that particular offerwall, where several options and tasks will be available.

Complete tasks and offers: There are different types of tasks and offers on the offerwall, by completing which you can earn 30 to 450 coins. Install and use the given applications, to make the most of the deal.

Coins credited: As per the terms and conditions of the offer, the chosen number of coins will be credited to your account.

Important Notes

Read the Terms and Conditions: To get maximum coins from these offers, please read the terms and conditions carefully.

Time to get coins: Sometimes you get gems or coins immediately after completing the offer, but sometimes it may take up to 24 hours for the offer to be verified.

More opportunities: To access more opportunities on the offerwall, you need to complete at least one offer.

By following these steps, you can make the most of these offerwalls and earn gift cards easily.

Complete Survey

You can earn different types of gift vouchers by completing surveys on this website. But before completing surveys, you need to fill your profile completely. If you fill your profile correctly, you will get suitable surveys based on your profile. After completing the survey, you will get points which you can use to redeem your favorite gift voucher.

One thing to keep in mind while completing surveys: read every question carefully and choose the right answer. If you answer the questions randomly or carelessly, not only will you not get paid, but you will also be eliminated from the survey.

Visit And Earn

Visit and Earn is another great feature of this platform, through which you can earn a large number of coins. Here you are given some websites, which have to be visited. You have to wait on these websites for 1 to 2 minutes, and after that you will get 5 coins. You can visit these websites 10 times daily, through which you can easily earn a large number of coins.

Refer And Earn

You can also earn a lot of points by referring this platform to your friends through the "Refer and Earn" feature. By referring this website to your friends, you get 20 coins for each referral. The more friends you refer, the more coins you can earn.

Also, if you refer this website to 10 friends, you will get an additional 50 coins. And if you refer 50 friends, you will get an additional 500 coins, which you can use to redeem things like UPI cash and Google Play redeem codes.

How to withdraw?

If you want to redeem the coins collected in this website, first of all you have to click on the "Wallet" option located at the top of the website. After this, click on the "Redeem" option. Here you will get many options to redeem, which I will tell you about in detail.

UPI Cash

Choose how much to withdraw to your UPI ID. Just enter your UPI ID, and your money will go straight to your account. You can get ₹10 to ₹250 in UPI Cash.

Amount	Coins Needed
₹10	200 Coins

₹50	1000 Coins
₹250	5000 Coins

Google Play Redeem Code

Want to Redeem your coins as a Google Play gift card? You can get ₹10 to ₹250 in Google Play Redeem Codes.

Amount	Coins Needed
₹10	200 Coins
₹50	1000 Coins
₹250	5000 Coins

Important Note:- When you withdraw a Google Play redeem code, enter your Gmail ID. The code will be sent to that email. So, make sure you type your Gmail ID correctly. If you make a mistake, you won't get the code.
