Early achievements track record

In the track record, please provide:

1. * The total number of publications, and the number of publications as first and last author during the career.
2. * A list of up to three publications in major national or international peer-reviewed multidisciplinary scientific journals and/or in the leading national or international peer-reviewed journals. Provide a brief description of the scientific significance of each paper and your own contribution to it.
3. Research monographs and any translations thereof (if applicable).
4. Examples of leadership (if applicable).
5. Experience with research using scientific collections (if applicable)
6. Talks and poster presentations to peer-reviewed national or international conferences and/or international advanced schools (if applicable).
7. Experiences from major research communication, dissemination or outreach activities and/or invited presentations in public conferences (if applicable).
