

Movie Notes for:

“The Giant Claw”

1. A giant bird movie? How about the Giant Claw?
2. A globe spins even with the country's boundaries.
3. 3 men struggle against the elements.
4. The highest tech from the 1950s.
5. Radar runs a bit high.
6. F86 flies fast and low.
7. Our mathematician and our pilot are going to fall in love.
8. Situation normal for the moment.
9. 15:32 when the pilot sees the beginning of the end.
10. UFO? What could it be?
11. Nothing on radar. Check the radar range.
12. Something is here at high speed.
13. Intercept intercept intercept.
14. They found nothing.
15. Something flying that doesn't appear on radar?
16. Plane and pilot both are missing.
17. An airline pilot saw a UFO and disappeared.
18. Foggy flight to NY.
19. Flying at 12,000? Higher than 8000
20. Don't show it!
21. Mitch come up here.
22. Stealth technology!
23. The kid can't take it. Mitch will have to bring it in.
24. No strings attached.
25. It's going to blow!
26. Pete's dead.
27. Of course I'm French. Why else would I have this outrageous accent?
28. Still stealthy.
29. Drinking makes it all better.
30. Something scaring the animals -- but not the storm.
31. People aren't as hardy as they once were.
32. He'll be dead at the next lightning strike.
33. la Carcagne! la Carcagne! You know la Carcagne!
34. It is the predictor of their death.
35. Joe will stay with him.
36. The plane is waiting, let's go.
37. Smoking on the plane ...

38. Mitch is falling for her.
39. Kiss without permission.
40. Baseball? No home base for this guy.
41. I have a thought not about love...
42. Open the map...
43. Pretty good drawing making all the x's.
44. I can make a pattern fit anything.
45. Coincidence, yes. Pattern, no?
46. We're trying to sleep over here.
47. He is childish because of the apple jack.
48. Plane makeout.
49. Visibility unlimited with all those clouds? I don't think so.
50. UFO again. Big bird hitting the Plane.
51. Poor effect!
52. Munching on parachutes.
53. Meanwhile at the Petry house.
54. General says you're coming with me.
55. A bird as big as a battleship.
56. Did you get a good look?
57. We'll get balloons to look at it.
58. It looks like ... It looks like ... It looks like a crappy special effect.
59. You are coming to Washington with me. Why? The Movie.
60. We'll find it.
61. What happens when we do?
62. Just shoot it down!
63. Cannons, machine guns and rockets will knock it down.
64. Listen!
65. We can hear it as these guys die.
66. That wasn't an F86...
67. Parachute lunch.
68. Thanks for listening to our finest hour.
69. Notify the joint chiefs.
70. Yeah it is just a bird...
71. Atomic spitballs!
72. We have already got atomic missiles ready.
73. Let's go talk to the guy at the lab.
74. How about we have these civilians keep getting top secret info.
75. If there is matter there must be antimatter.
76. There is a whole bunch of antimatter.
77. The bird has an antimatter energy screen.
78. This explains everything.
79. Not guesswork.
80. Where did it come from?
81. Our electric analyzers blew up.

82. The bird is extra-terrestrial.
83. Let's get a meeting together.
84. The bird revealed itself -- the blurry feathered nightmare with wings.
85. You may kiss me now!
86. Have you told anyone? Is it an oxygen destroyer?
87. Molecular osmosis.
88. If it is a bird, it will have to build a nest.
89. I need a fast plane and a helicopter. To Broussard's place!
90. Fireside chat!
91. All weapons are ineffective.
92. It is feeding on all kinds of things.
93. So, please don't move.
94. Marshall law is in effect.
95. The toys don't match the movie.
96. We're looking for eggs.
97. Even extraterrestrial birds will be just like earth birds.
98. I'm from Montan, I can shoot!
99. Boom goes the egg.
100. Pierre is finally dead after seeing the monster.
101. We must destroy the eggs.
102. Since Pierre is dead, we'll steal his car.
103. Make this thing go Daddio!
104. Dig you later Gator!
105. Crazy kids! You got what's coming.
106. You may not understand this mumbo jumbo, but I will continue.
107. We need Masonic atoms.
108. I need a blank check.
109. Wouldn't it collide with air molecules?
110. We're inventing the Mazer.
111. Lots of failures!
112. Didn't stop all moving things?
113. Kaboom! Mitch must have had a break through.
114. My machine works.
115. Mount it on the B25!
116. Can we have a red shirt to take over for Sally?
117. Nope Sally is going.
118. 2 Generals in that plane.
119. It's destroying the Empire State building.
120. Still a B25.
121. What does a mathematician know about engineering?
122. There it is attacking the UN building.
123. Make a pass at it. Hello there, beautiful!
124. It is after us now!
125. Stock footage.

- 126. Stop luring it back over the city!
- 127. Got it just in time!
- 128. His screen is down.
- 129. Fire rockets. It would help if you hit it.
- 130. Dead! Into the sea.
- 131. We got it!
- 132. The end.
