

# ABCs: The Alphabet of Ballbusting and Cockteasing

(as told by P'oiu and Lia)

To be written as a series of blurbs. Probably in this order? Maybe some with P'oiu as narrator, some with Lia as narrator, and some in third-person? Knowing me, this'll take about ten years :P

**Comments, feedback, suggestions welcome!**

## **Preliminary titles/summaries:**

### [Academic Agony](#)

A scientist friend of Opal's wants to learn more about P'oiu's regenerative capabilities, and Lia is more than happy to assist. So is Opal, even if she won't admit it. (For science!)

### [Back to Basics \(or: Bruised Balls and a Blowjob\)](#)

Relationships are about give and take – sometimes you win, and sometimes you lose. Sometimes you win AND lose.

### [Caught in the Crossfire](#)

When a pair of would-be dragon-slayers show up at the cave, Lia defends herself and her mate with low blow after low blow. But there are more forces at play than just blunt-force trauma, and P'oiu finds himself on the wrong end of a magician's spell.

### [Downward-facing Dragoness](#)
