

THRESHOLD 9 CARD

Purpose

Predicting what the next threshold might be will allow you to use all your Big History knowledge to help prepare for what the future might hold.

Process

1. Review all your completed threshold cards (Thresholds 1–8), and think about the ingredients and Goldilocks Conditions that made each threshold possible. Use that information along with everything you’ve learned in this unit to complete the threshold card below.

Threshold 9		
Ingredients Materials or things that came together	Goldilocks Conditions The “just-right” conditions	New complexity How the ingredients came together under the right conditions to create something new and more intricate than existed before
