

**SANDERSON HIGH SCHOOL
COURSE CORRECTION PROCESS**
Spanish version
August 2025 for 25-26 School Year

Dear Student:

Students' schedules may be viewed in Infinite Campus. Course balancing and other additional changes in the master schedule may cause some schedules to alter through the first two weeks of the academic year.

Students requesting a **course correction** may do so if their request meets **1 of the 8 criteria listed below**. Students will otherwise be expected to honor their course selections already made. **While general schedule change requests will NOT be accepted, course corrections will be considered for students who have any of the circumstances below:**

1. If you failed a required course and have not retaken and passed it.
 2. If you are scheduled for a class that you already passed.
 3. If you are increasing rigor *and space is available*.
 4. If you are requesting to [Opt Out of an AP/Honors/Speciality Course](#). You must complete the linked Opt Out Form and submit it to your counselor by Friday, August 29th at 3pm.
 5. If you have a hole in your schedule.
 6. If you are in a course you did not select during the registration window of February - April (primary and alternate course requests will be used to verify).
 7. If you do not meet the prerequisite for the scheduled course.
 8. If you are missing a specific course(s) needed for promotion and/or graduation this year.
- ★ If your request does not meet the above 8 listed criteria your request will not be considered.
- ★ Understand that an approved change may also change your lunch and what periods your other classes are.
- ★ **Once your schedule is changed it is final.**

**The Course Correction form has now closed for the Fall Semester
at 3 pm on August 29, 2025**

Counselors will not respond to email requests for schedule changes.

**Course correction requests were to be submitted from
Friday, August 22nd at 6am - Friday, August 29th, 2025 at 3pm (final deadline)**
