Romeo & Juliet: Opening Scene Comparison - Part 2

Compare and contrast the three versions in a one-page reflection in organized paragraphs. Make sure you address the following:

- What do all three versions have in common? Why do you think the modern-day directors chose to keep those things the same?
- What are some of the most interesting differences? Why do you think the modern-day directors chose to make those changes? What impact do those changes have on our understanding of the story?

 As an audience member, which version do you think is the most effective? Explain your answer.
