

Tutorial: Automatically Populating Student Repertoire

Jill Terhaar Lewis, MAR NATS Gov.

To automatically upload your student's previous information from the district competition, from the My Registration page, click on the box to register a student.

On the next screen, select your student from the dropdown menu preloaded.

Participant Repertoire [REDACTED]

CL 5A (First Year Classical Treble Voice)

NOTE: If you don't have your Participant's repertoire yet, you may click [HERE](#) to exit.

Enter all required * fields.

Enter your One art song in English (1 song of 3 selections)

Search by Title

Then return to the registration page and choose the pencil to edit your student's application. The repertoire should now be preloaded into the system. You can still make changes to links and repertoire, but it will save you some time when loading selections you plan to reuse. *

* If you are reusing the same video and link for a selection, remember to update your YouTube video info in YouTube to change any state/chapter/district information to now read MAR NATS.
