

Name: _____ Period: _____ **Deadline:** End of Week 18

Quiz #8: Unit 3, Obj. #1 Simplifying Expressions Retake DIRECTIONS

Rewrite (simplify) expressions by combining like terms, using Exponent Laws (including zero and negative exponents), and multiplying polynomials

In order to earn a higher score on your quiz (4 max), you must complete the three sections below: Review, Reflect, and Retake.

Review

1. What score did you earn on your original quiz?
2. Redo all the problems you missed on a separate sheet of paper and attach it to the original test..
3. To prepare for the retake
 - Read:
 - [Combining Like Terms Notes](#)
 - [Exponent Laws Notes](#)
 - Watch:
 - [Multiplying Polynomials](#)
 - Do:
 - [Ch. 3 Parent Guide with Extra Practice](#) p. 16 (10, 11, 12, 15, 22) and p. 19 (7)

Reflect

4. Write a few sentences about what you learned or took away from doing the **Review**.

Retake (Wednesdays or Thursdays)

5. At lunchtime, turn in all the work from the **Review** and **Reflect** section above. Your teacher will then hand you a new quiz for you to retake. Help is available at lunchtime Tuesday.
